

# Privacy statement – Member register

This privacy statement complies with the EU General Data Protection Regulation (GDPR).  
Creation date 21st of May 2018, latest update 27th of January 2019.

## 1. Controller of the register

Maa- ja kalliorakentajat ry (MKR)

Otakaari 11, 02150 Espoo

## 2. Person in charge of the register

Master of Coin, Janne Suominen

janne.suominen (at) aalto.fi

## 3. Name of the register

Maa- ja kalliorakentajat ry member register

## 4. Legal basis and the purpose of gathering personal information

The legal basis for gathering personal information, complying with the EU GDPR, is the legitimate interest of the controller of the register.

The purpose of gathering personal information is the maintenance of a member register, required by the Associations Act (503/1989), and keeping the contact information of the members of the club up to date.

## 5. Information in the register

The register will contain the following information:

- o Full name
- o Municipality of residence
- o AYY membership
- o Email address
- o Mailing lists that the member belongs to

The register does not contain information of people who are not members of the club. This information is removed immediately when membership is terminated.

## 6. Regular sources of information

The information in the register comes from members who join or have already joined the club via online www forms or through written forms during events.

## 7. Handing over information and transferring information outside of the EU or the EEA

The information in this register is not to be handed over to outside parties. The information is not to be handed over or stored outside the European Union or the European Economic Area.

## **8. Principles of protecting the register**

The register is handled carefully. The information is stored only in electronic format, in a trustworthy server operated by a third party, which complies with the EU GDPR. The encryption of the register is done using MKRs own passwords. The information is only available to authorized persons of the MKR.

The controller of the register will ensure that access to the register is only limited to the appropriate individuals.

## **9. Right to check and request for corrections in the information**

Each member who is in the register has the right to check their information that has been saved in the register and demand for corrections if any information is incorrect or missing. If the person wishes to see the information the register has on them or requests for a correction, the request must be sent to the controller of the register in writing. The controller of the register can ask the sender of the request to verify their identity. The controller of the register will answer the requesting party within the time limit specified by the GDPR (primarily within one month).

## **10. Retention period of the information in the register**

The register shall contain information only of people who are members of MKR. Persons who quit or are expelled from the club will have their information removed from the register within a reasonable timeframe, at most within one month from the decision of expulsion or quitting.

In a special situation the information of a member can be stored for longer. In that case the member will be informed of the reason for the prolonged storage.
